Include with your application.

Regular mail, email and fax are all acceptable ways to send your application and supporting documents with the exception of photo identification. Photo identification must be mailed or emailed as faxed copies are not clear enough to accept.

Application

- You must submit a completed [Application for Registration as a Physiotherapist](#) to start the registration process.

Payment

- We accept payment by Visa, MasterCard, personal cheque or money order. If paying by Visa or MasterCard, provide the card number and expiry date on the application. Cheque and money order must be in Canadian funds.

Fees are charged to your credit card when your application is approved **and based on the effective date of registration to September 30 of the current year**. You need to let us know if you want to delay the effective date of registration. If you cancel your application the non-refundable application fee will be collected at that time.

Identification

- We require a photocopy of government issued identification that matches your full name on the application form. The identification must include your photograph and signature. An example of a good identification is a passport or a driver's license.
- If your name on any document submitted with your application is different than your full name on the application, you must include a photocopy of documentation to support the name change. An example of documentation is a marriage certificate.

Supervised practice

- A completed [Supervision Agreement](#) for each practice site is required to confirm your practice as a physiotherapist will be supervised.

Liability insurance

- A photocopy of your Certificate of Insurance is required as evidence you personally hold professional liability insurance in the amount of \$5 million on any one patient and for the policy year.

Arrange for another party to send directly to Physiotherapy Alberta.

Education
