

Application Instructions

Canadian educated new graduate

1. Personal Information

Name

Your registration record must contain all your names. This includes full legal name, previous name, maiden name, alias or adopted name. Married physiotherapists who adopt their spouse's last name but continue to use their maiden name in practice must still report their adopted name.

Full name: Enter your full name exactly as it appears on the government issued identification included with your application. This is the name that will appear on your practice permit and the member register, unless you've informed us that you will use a different name when practicing physiotherapy.

Practice name: You must practice in the name that appears on your practice permit. If you plan to use a name other than your full name reported above, enter it here.

Other last name: This includes your legal name, previous name, maiden name, alias or adopted name not reported in the full name field.

Gender

Indicate your gender by checking the appropriate box.

Date of birth

Enter your date of birth either written in full or using the format of month/day/year.

2. Current Residence Address

Provide your current residence address, telephone numbers and email so we may contact you regarding your application. If this information changes before your application is processed you must inform our office.

3. Residence History

List every country where you have lived for 90+ days within 10 years of this application or dating back to your 18th birthday. Include the dates (month and year) when you lived there.

4. Academic Background

Provide details about your physiotherapy education as well as other degrees earned. Only report university-level education.

Physiotherapy education

- The type of degree(s) in physiotherapy, e.g., bachelor's, master's, doctorate.
- The full name and location (province/state/country) of the degree-granting institution.
- The year the degree was granted.

Education other than physiotherapy

This information is collected to fully understand the profile of physiotherapists and is used for research and planning.

- The type of degree(s) received.
- The name of the program completed, e.g., kinesiology, physical education.
- The full name and location (province/state/country) of the degree-granting institution.
- The year the degree was granted.

5. Physiotherapy Competency Examination

Provide dates for the written and clinical components to accurately reflect your examination status. Leave fields blank if they are not applicable.

6. Practice Hours

This section is a report of hours as a physiotherapist and therefore does not apply to new graduates.

7. Language Proficiency

We ask applicants to let us know if they are able to provide physiotherapy services in a language other than English to assist the Alberta public looking for services in a specific language. This information appears in our online Find a Physiotherapist search function.

8. Employment History

This section is a report of employment history as a physiotherapist and therefore does not apply.

9. Registration

This section asks for information about your registration as a regulated professional, e.g., a regulated health professional or another professional such as teacher or accountant. Include details for the last 10 years. Include jurisdictions where you were registered even if you did not practiced there.

10. Alberta Employment

Complete this section only if you have accepted employment as a physiotherapist in Alberta. Provide your anticipated start date - keep in mind that you may not practice as a physiotherapist in Alberta until you are registered and we've issued you a practice permit. Tell us where you will provide services and details of the services provided to the extent you can at this time.

If you have secured employed at more than one site, print and include Page 3 for each site.

11. Good Character + Reputation

This section asks for information about your current and past practice as a physiotherapist, or another regulated professional, criminal record, and civil judgments. You must answer all question in this section as the questions about practicing as another regulated professional and criminal offense applies. Provide an explanation if you answer yes to questions A, B, C, D or E.

If in doubt, it is best to be honest and forthright by disclosing information rather than to risk dealing with a false report. Answering yes to a question does not necessarily mean you will be refused registration. It does mean we may ask for and consider other information to make a decision about your character and reputation. You will have the opportunity to respond to any information provided by other sources.

12. Payment

You must pay the application and practice permit fee. We accept the following payment methods:

- Visa
- MasterCard
- Personal cheque
- Money order

If paying by Visa or MasterCard, enter the credit card number and expiry date on the application. You may also pay by cheque or money order in Canadian dollars.

Fees will be charged to your credit card when your application file is complete and based on the fees applicable for the effective date of registration. If you cancel your application the non-refundable application fee will be collected at that time.

13. Email Consent

With the exception of regulatory notices, Physiotherapy Alberta will only send electronic communication which you explicitly consent to receive. As well, your consent is required for Physiotherapy Alberta to share your name and email address with researchers who are looking for physiotherapists to participate in studies to promote innovative, quality physiotherapy care. You may change your consent at any time once registered through your Profile.

14. Applicant's Declaration

Read the declaration carefully before signing. When you sign the application you are verifying that the information provided is true and complete.

Sign the application. Electronic signatures are not accepted.

The Application Form

The application form is in a PDF format which allows you to:

- Download the form.
- Fill in the form electronically, except your signature. You must print the form before signing.
- Save the completed form in case you need to make changes (works only if you complete the downloaded version).

Review Before Sending

Take a few minutes to review your application and supporting documents to ensure they are complete and legible before submitting. Having to resubmit documents will substantially delay the application process.
